

NOT ALL "PURE" WATERS ARE HEALTHFUL

Nature demands that Good Drinking Water must not only be free from harmful bacteria, but it must also contain the valuable MINERALS that good health demand.

Arrowhead Spring Water

Shipped to us from Arrowhead Springs. Is delivered to your door the day it bubbles from the famous spring at

**LESS THAN ONE-HALF CENT
PER HEALTHFUL GLASSFUL**

It is GOOD TO TASTE as well as richly laden with the all important body building minerals.
